To

J.B. CHAKRAVARTI, Esq., M A.,
Comptroller to the Government of H. H. the Maharaja of
Mysore.

SIR,

I have the honour to acknowledge receipt of your letter No. 6110/L A D 5&7, dated 15th April, 1912 with reference to the printing of the Municipal Account Manual.

2. As suggested, I have seen Mr. B Srinivasa Iyengar, Assistant Comptroller, and repeat here the difficulties I have pointed out to him.

3. Mr. B Srinivasa Iyengar informs me that proofs will be required for the committee by the end of May. Even if I had type available, this would be a very difficult matter, but as I have not sufficient type, it will be quite impossible to comply with your request unless you give me permission to at once purchase Rs 1,000 worth of type for the text of the book. This presumes that it is obtainable in Madras As the whole of the type is required to be kept standing, pending the decision of the committee, it is absolutely necessary that the whole of the type should be available. I request, therefore, that you give me permission to purchase type to this extent at once, pending formal permission of Government

4. With regard to the forms, even if I had sufficient type for these, it will be impossible to furnish proofs within the time specified The nature of the work would occupy many months to complete it. As a way out of the difficulty, I would suggest that the file as now sent to the Press be used by the committee. Many of these forms can be obtained
